## Company profile:

---

Jugos Del Maipo forms part of a family operation that produces grapes and fine wines for over 70 years. The Martino family in the 3<sup>rd</sup> generation coming from Italy has created in 1994 Jugos Del Maipo, one of the fastest growing agro-industrial company in Chile. The factory is located in the centre of the Maipo valley which is one of the richest viticultural areas in the world.

The company uses the state of the art processing equipment with dedicated quality assurance and R&D teams. Their mission is to become a leading supplier of high quality grape products.
